

MULTI-PARCEL PAYMENT PROGRAM

Multi-Parcel Payments allows entities looking to pay for 20 or more property tax parcels to submit the payments in one transaction.

How to proceed:

For large mortgage companies or tax service companies, the Lancaster County Treasurer's office has teamed up with GovTech Services, Inc. to process Escrow Tax payments more efficiently and conveniently.

Please contact GovTech Services Inc., using the Contact/Support tab on their websites:

www.govtechtaxpro.com or www.govtechservices.com, or call their help desk at 1-888-304-5989

for further questions and directions on processing escrow payments.

For smaller companies, we will accept a Microsoft Excel Spreadsheet in the proper format.

For more information on accepted file formats please contact Vicki Hansen via phone at 402-441-8995 or by email at vhansen@lanaster.ne.gov

How to remit payment:

You can pay Lancaster County by ACH Credit, Wire or Check.

Please contact the County Treasurer's Office for more information regarding the ACH, wire, or check payment options by email at ach@lanaster.ne.gov.

Please note: Payment must be received prior to files being processed by the County Treasurer's Office.
