Lancaster Juvenile Priorities

Priority 1: Ensure equitable treatment of our system-involved youth.

Priority 2: Provide effective services and apply best practices to prevent youth from entering the juvenile justice system.

Priority 3: Facilitate respectful and accommodating treatment of all families and youth in the juvenile justice system.

Priority 4: Ensure behavioral health services are accessible to all youth and their families.

Priority 5: Ensure all juvenile justice system stakeholders are using evidence-based principles to meet the needs of our youthful population.
