Janitorial is purchasing new and better products. We have used approximately \$13,040 of janitorial supplies and PPE gear. Kerin did turn those expenditures into the grant that Sara Hoyle was able to obtain to reimburse expenses. Sean Flowerday gave large credit to Sara Hoyle and her grant expertise. Roma exited the meeting. Kerin shared that our staff carpenter is building permanent partitions for several agencies and departments. The agencies are paying for the material and we are supplying the labor. After questioned about budget Kerin reported we should be under the spending authority with the final pay application for the HOJ Front Entrance not coming thru until next budget year.
