6. REPORT FROM ADMINISTRATIVE STAFF

Discussion of administrative items and confirmation of the next Public Building Commission Meeting on August 11, 2020.

7. ADJOURNMENT

**MINUTES
PUBLIC BUILDING COMMISSION
TUESDAY, JUNE 9, 2020 1:30 P.M.
CITY COUNCIL CHAMBERS
COUNTY CITY BUILDING**

PRESENT: Roma Amundson, Chris Callihan and Sean Flowerday.

ABSENT: Richard Meginnis and Jane Raybould.

OTHERS PRESENT: Kerin Peterson, Jeff Kirkpatrick, Nick Hanna, Kyle Hohenstein, John Kay, Cpt. Witte, Brian Johnson and Margaret Bohy.

The meeting of the Public Building Commission was called to order by Sean Flowerday.

The meeting minutes from May 19, 2020 were presented for approval. Roma Amundson motioned for approval and Chris Callihan seconded. The vote carried.

County Assessor Remodel – John Kay, Sinclair Hille submitted payment application #5 for \$46,659.25 for approval. Roma Amundson moved for approval and Chris Callihan seconded the motion. The vote carried. John Kay reported they are conducting the punch list walk thru on Friday and the furniture is in route. The final completion will be June 30, 2020.

Hall of Justice Front Security Entrance Remodel – Nick Hanna, Clark Enersen and Kyle Hohenstein, Dicky Hind Muir, submitted payment application #8 for \$43,873.85 for approval. Chris Callihan motioned for approval and Roma Amundson seconded. The vote carried. They then submitted CPR 01 Revision 1 to correct an incorrectly identified as a deduction. After evaluation as an add price, final dollar amount is as follows: Add \$1,117.00 for 3 each new outlets at East wall. Re-routing of floor box power locations to store front mullions results in no cost change to Owner. Total amount started at (\$9,119.00) with final cost of \$1,117.00. Roma Amundson motioned for approval and Chris Callihan seconded. The vote carried. Then they presented CPR 06 to add \$4,099.00 for two (2) each delayed egress rim exit devices and 2 each electronic strikes to create a man trap at Employee Vestibule #1004 per site meetings with city security wiring contractor and Lancaster County Sheriff's Office. Deduct (\$850.00) for the restocking of 5 each power supplies and One (1) each rain guard on Door #1001. Total change order amount \$3,249.00. Roma Amundson motioned for approval and Chris Callihan. The vote carried.

Security Update – Cpt. Witte and Brian Johnson gave an update on the damage sustained to the Hall of Justice due to the recent riots. Cpt. Witte gave very high praise to Dicky Hinds Muir for their quick assistance in moving their materials and trailer before the riots to help eliminate damage. He also commended Property Management staff for quickly removing all the trash containers and anything else outside that could have been thrown. The morning after the riots the staff was on site to remove the trash and tear gas residue that was on the front of the building and inside the vestibule. Several windows on the front of the Hall of Justice had bullet holes in them. Cpt. Witte shared that they are very thankful that the building filled with law enforcement and the Nebraska National Guard did not understand that night that the holes in the windows were not from rocks but bullets. Roma Amundson thanked him for his service and stated that the most important service of government is to provide safety and that they do that very well.

Roma Amundson motioned to approve the general vouchers for May 2020. Chris Callihan seconded the motion. The vote carried.

Resolution to Adopt and General Order requiring the wearing of facemasks within City and County Buildings per the Directive Health Measure of the Lincoln Lancaster Health Department – Sean Flowerday informed the commission that this is in violation of Governor Ricketts mandate that was handed down and requirement of face mask would result in Lancaster County forfeiting State CARES Act funds. It was suggested that the policy be changed from “required” to “shall be encouraged”. All signage that will be posted will also encourage but not require the wearing of facemasks by public that enters the buildings. Employees can still be required to wear facemasks by their departments.

There were three contract approvals submitted by Purchasing:

- a. Amendment to Contract for Annual Services for Electrical Generator Maintenance and Repair #16-115 NMC, Inc.;
- b. Amendment to Contract for Annual Services for Publishing Legal Notices and all other Verbiage Necessary to Conduct City/County/Public Building Commission Business #17-150 Lincoln Journal Star;
- c. Amendment to Memo of Understanding for On-Site Secure Document Shredding #MOU025 Datashield Corporation;

Roma Amundson motioned for approval of all contracts. Chris Callihan seconded. The vote carried.

The next meeting of the Public Building Commission will be July 14, 2020.

Report from Administrative Staff – Kerin gave a quick update on replacing the windows at the Hall of Justice. The cost is approximately \$5300.00. Then a contractor will come in and power wash the building to remove egg & paintball remains. The cost for these repairs is being turned into our insurance. A COVID-19 update included the request from District Court Judges to change programming of the elevators in the Hall of Justice to either go up or go down with passengers, not both as currently programmed. The initial costs from Kone are approximately \$12,000.00 to reprogram. The Public Building Commission advised against and disapproved this request. There was further discussion about additional courtroom spaces available. The most feasible is the unfinished space in the 605 building. Kerin is researching the costs and fire marshal recommendations about what needs to be done to use this space. Once cost is determined there will be an emergency PBC meeting called to approve costs. Kerin also updated on her budget. She reported that with 6% of the year left the revenues are on target and expenditures have about 11% left. She feels she will only be off her targeted budget by about 1%. The Public Building Commissioners thanked Kerin for a great job with the budget and for the reaction of her staff to the past riots at the Hall of Justice.

With no further business Roma Amundson moved to adjourn, Chris Callihan seconded. The vote carried and the meeting was adjourned.

Supplier Note

Whitehead Oil would suggest monthly "hedge" contracts rather than then entire periods as bid requested. For example- in 2021 clear diesel ranges from \$1.555/gallon in January 2021 to \$1.775/gallon in October 2021. Since the bid requested the entire period, that price would be \$1.775/gallon. Examples for hedge 2021 monthly clear diesel per gallon Jan 2021 \$1.555 Feb 2021 \$1.585 March 2021 \$1.625 April 2021 \$1.635 May 2021 \$1.645 June 2021 \$1.725 July 2021 \$1.735 August 2021 \$1.745 Sept 2021 \$1.745 Oct 2021 \$1.775 Nov 2021 \$1.745 Dec 2021 \$1.715 Red diesel and gas would also follow a similar pattern.

Bid Attributes

1 Agreement to Addendum No. 1

Addenda are instruments issued by the Purchasing Department prior to the date for receipt of offers which will modify or interpret the specification document by addition, deletion, clarification or correction. Vendor must acknowledge receipt of this addendum in the space provided at time of bid submission.

Be advised of the following clarifications and changes to the Specification and bidding documents:

1. Question: The pricing language seems to be a little contradictory- if the firm contract period expected to

run 1/24/2021-1/23/2022, 1/1/2021-5/31/2021, or 1/1/2021-12/31/2021?

Answer: We are requesting firm pricing from Jan. 1, 2021 through the dates listed. If you can hedge unleaded fuel beyond May 31, 2021 we would consider a longer term.

2. Question: Are the firm gallons to be delivered via Transport or Tank Wagon?

Answer: Both

3. Question: Is freight to be billed separately for the firm pricing?

Answer: Yes. There is a separate Line Item for freight.

4. Question: Could you please clarify this statement on the firm pricing?

Price must include any applicable taxes and fees. Do not include transport or tank wagon fees.

Answer: All fees except delivery which is in other Line Items are to be included in the cost of the firm fixed pricing.

5. Question: Would you be willing to extend the bid due date since this is a quicker turn around and the main contact is not in the office today?

Answer: No

6. Question: Are we required to bid on the Tank wagon as well as the Transport?

Answer: Yes

7. Question: Are we required to bid on the DEF additive?

Answer: Yes

8. Question: Are the rack pricing gallons on top of the firm gallons you plan on locking in?

Answer: No. Rack pricing is another option the City will consider along with firm fixed pricing.

9. Question: Are you currently purchasing firm gallons or rack pricing?

Answer: Both.

10. Question: When did you lock in fuel and at what price?

Answer: Fuel was locked in during the month of May at \$1.225 per gallon for Dyed Diesel, \$1.513 for Clear Diesel, and \$1.137 for E10 Unleaded Fuel.

11. Question: Would you be willing to guarantee your gallons you are to lock in?

Answer: That is the intent.

12. Question: Could you please review the attached firm price clauses and see if any of them are / aren't acceptable and explain?

Answer: We will not review or determine an acceptable price.

13. Question: Since the water plant has different taxes than the rest of the city how are we to include all applicable prices per product?

Answer: Water department use is minimal and will be discussed with the awarded vendor.

14. **Clarification: The current contract is located in the Ebid system at the following site: <https://col.ionwave.net/PublicContractDetail.aspx?ctid=1056&wid=1&t=ACTI>**

All other terms, conditions, and requirements of the request remain the same as originally indicated in the document or as modified on previous addenda.

2 2021 Fuel Hedge

The Owners intend to hedge a large portion of gas and diesel fuel in 2021 if pricing and financial circumstances are favorable. A contract will be issued upon award recommendation and a hedge may be issued shortly after for 2021 if pricing and conditions are beneficial for the Owners. Vendors must provide a firm fixed per gallon price for fuel which includes all applicable taxes and fees, less transport, which will be added based on the transport cost in the applicable Line Items. The Owners are not required to hedge fuel from this contract if it is determined it is not in the best interest of the Owners to do so.

Vendor award will take into consideration the hedge cost, transport cost, and any other fees referenced in the bid Line Items. The Owners will use the hedge amount from the date of closing at 2:00pm as a basis for award if it is beneficial to do so. When/if the owners issue a hedge after contract execution it will be expected that the new pricing will be inline with the pricing on the date of the bid close.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury," "property damage" and "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services including:

- a. The preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports,

surveys, field orders, change orders or drawings and specifications; or

- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by the insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance**:

The most we will pay on behalf of the additional insured is the amount of insurance:

A. EXPECTED OR INTENDED INJURY

Section I – Coverage A, Exclusion a. is amended as follows:

SCHEDULE	
Limits Of Insurance	Deductible
\$5,000 Each Occurrence	\$250 Per Claim
\$10,000 Annual Aggregate	

- a. The each occurrence limit listed above is the most we will pay for all damages because of "property damage" to property in the care, custody and control of or property loaned to an insured as the result of any one "occurrence", regardless of the number of:

- (1) insureds;
(2) claims made or "suits" brought;
(3) persons or organizations making claims or bringing "suits".

The aggregate limit listed above is the most we will pay for all damages because of "property damage" to property in the care custody and control of or property loaned to an insured during the policy period.

Any payment we make for damages because of "property damage" to property in the care, custody and control of or property loaned to an insured will apply against the General Aggregate Limit shown in the declarations.

We may pay any part or all of the deductible amount listed above. We may pay any part or all of the deductible amount to effect settlement of any claim or "suit" and upon notification by us, you will promptly reimburse us for that part of the deductible we paid.
- c. If two or more coverages apply under one "occurrence", only the highest per claim deductible applicable to these coverages will apply.
- d. Insurance provided by this provision is excess over any other insurance, whether primary, excess, contingent or any other basis. Since insurance provided by this endorsement is excess, we will have no duty to defend any claim or "suit" to which insurance provided by this endorsement applies if any other insurer has a duty to defend such a claim or "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

G. SUPPLEMENTARY PAYMENTS

Section II – Covered Autos Liability Coverage, A.2.a. Coverage Extensions, Supplementary Payments (2) and (4) are replaced by the following:

Attachment A

To whom it may concern,

Following the acquisition by Kurita, Fremont Industries has officially merged with other American holdings to be rebranded Kurita America effective April 1st, 2020.

Rest assured the service provided has not, nor will not be interrupted or change. Fremont Legacy is still intact with the same personnel, products and services.

Kurita is a highly respected water treatment service and supplier worldwide. The only noticeable change to our valued customers is the new branding.

If there are any questions and or concerns, please reach out to me as I would be happy to address them.

Thank you,
