A grant application for the project will be awarded in October or November. The pre-bid meeting for the Public Parking deck is scheduled for this week. We will have cost estimates back quickly for that project. The Health Department is in need of concrete repair of the parking lot and sidewalk area. Bid documents for those repairs are being prepared. Kerin is working with the County Attorney and their additional space needs. There was a discussion on how Lancaster County and City of Lincoln will continue to conduct business from this point forward and if work from home options will continue to be available. Remote working could change the need for additional space. Property Management will send out a survey monkey to start division directors thinking and giving us feedback of potential space needs.

With no further business Richard Meginnis moved to adjourn, Jane Raybould seconded. The vote carried and the meeting was adjourned.

Due to a prior commitment the following agenda item was allowed after the meeting was adjourned.

Law Enforcement Memorial Presentation – Deputy Sheriff Todd Duncan presented the Law Enforcement Memorial. Todd stated that this committee started with a group of law enforcement members of both Lincoln Police Department and Lancaster County Sheriff's Office, the respective unions that govern those entities and family members of fallen officers. The fundraising began about a year ago and they just received a large donation from Sandhills Publishing that is closing the gap on the $30,000 left to raise. The memorial will include bronze statues representing both an LPD and LSO officer, large plaques that include the names of the fallen officers and will be a place for quiet reflection on those who gave their life for our community. The Public Building Commission will assist with the installation and cover some of the ground-breaking expenses and worked with The Clark Enerson Partners on site selection in front of the Hall of Justice. The site selected has been approved by the Nebraska Capital Environs Commission. The committee is also looking at alternative locations as they want this to be a place of reflection and not open it up for destruction. They will have an endowment fund in place for upkeep and insurance on the memorial. The committee is planning for an installation date of next fall.

DEC Customer Obligations

October 2020

Vision

"Striving for Energy Excellence"

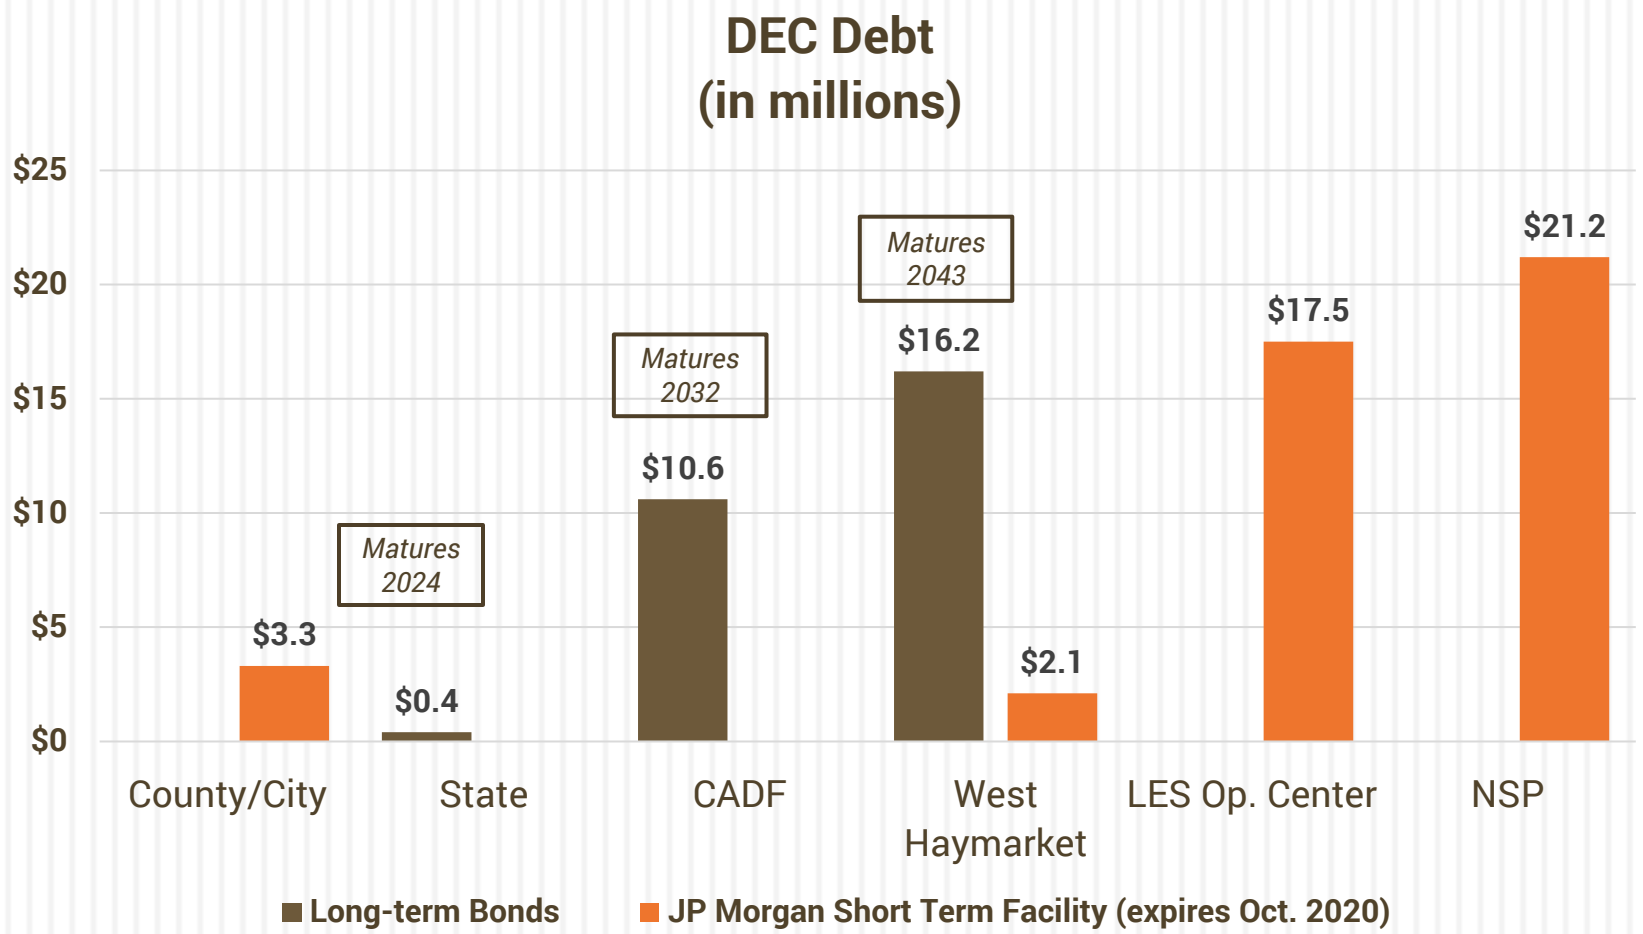
Mission

"Provide low-cost, reliable and efficient thermal energy services to enhance and enable economic development of the Lincoln community"

Purpose of Today's Meeting

- Review DEC's current debt structure and outstanding amounts
- Discuss upcoming bond issuance
- Receive customer feedback regarding proceeding with current bond structure
- LES team to report back to DEC Board at its October board meeting

DEC has $71.3M in outstanding debt in various forms



DEC customers may benefit from an explanation of DEC's debt obligation

General Bond Resolution 10-4-G; Section 7.08 Rates, Fees and Charges

DEC must set rates to produce revenue each fiscal year at least sufficient to:

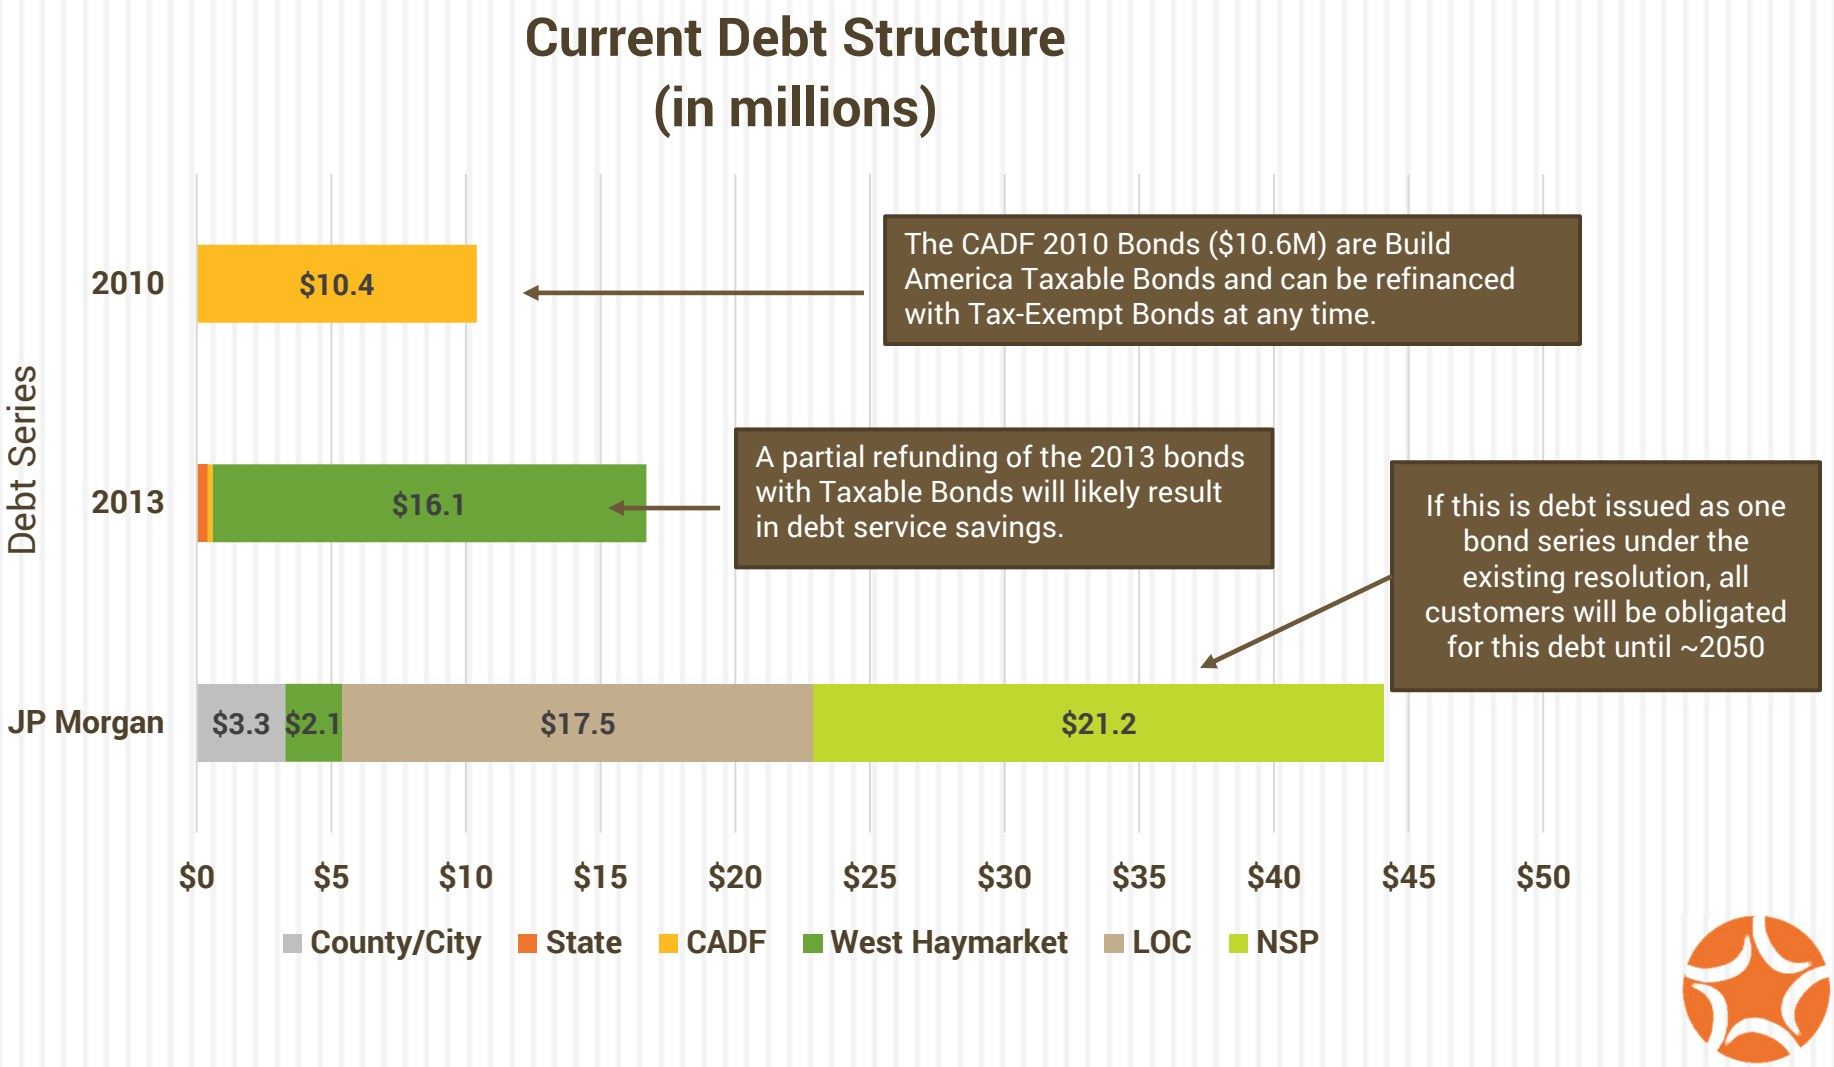
1. Pay all Operating and Maintenance Expenses
2. Pay the annual Debt Service
3. Pay all other financial obligations

Based on the above, DEC customers are subject to paying the debt for all facilities in the event of default of a fellow customer – even after their own facility's debt is paid if they elect to remain a customer of DEC.

(Note: Once a customer's facility debt is paid, the customer has the option of cancelling service with DEC and assuming ownership and operation of the plant that serves them.)

This issue is exacerbated each time that additional debt is issued by DEC, potentially obligating customers for longer periods.

Opportunities exist for refinancing and restructuring of existing debt



DEC will move forward with existing debt structure absent customer concerns

It is possible that DEC Customers are comfortable with a shared obligation structure

Pros with current structure

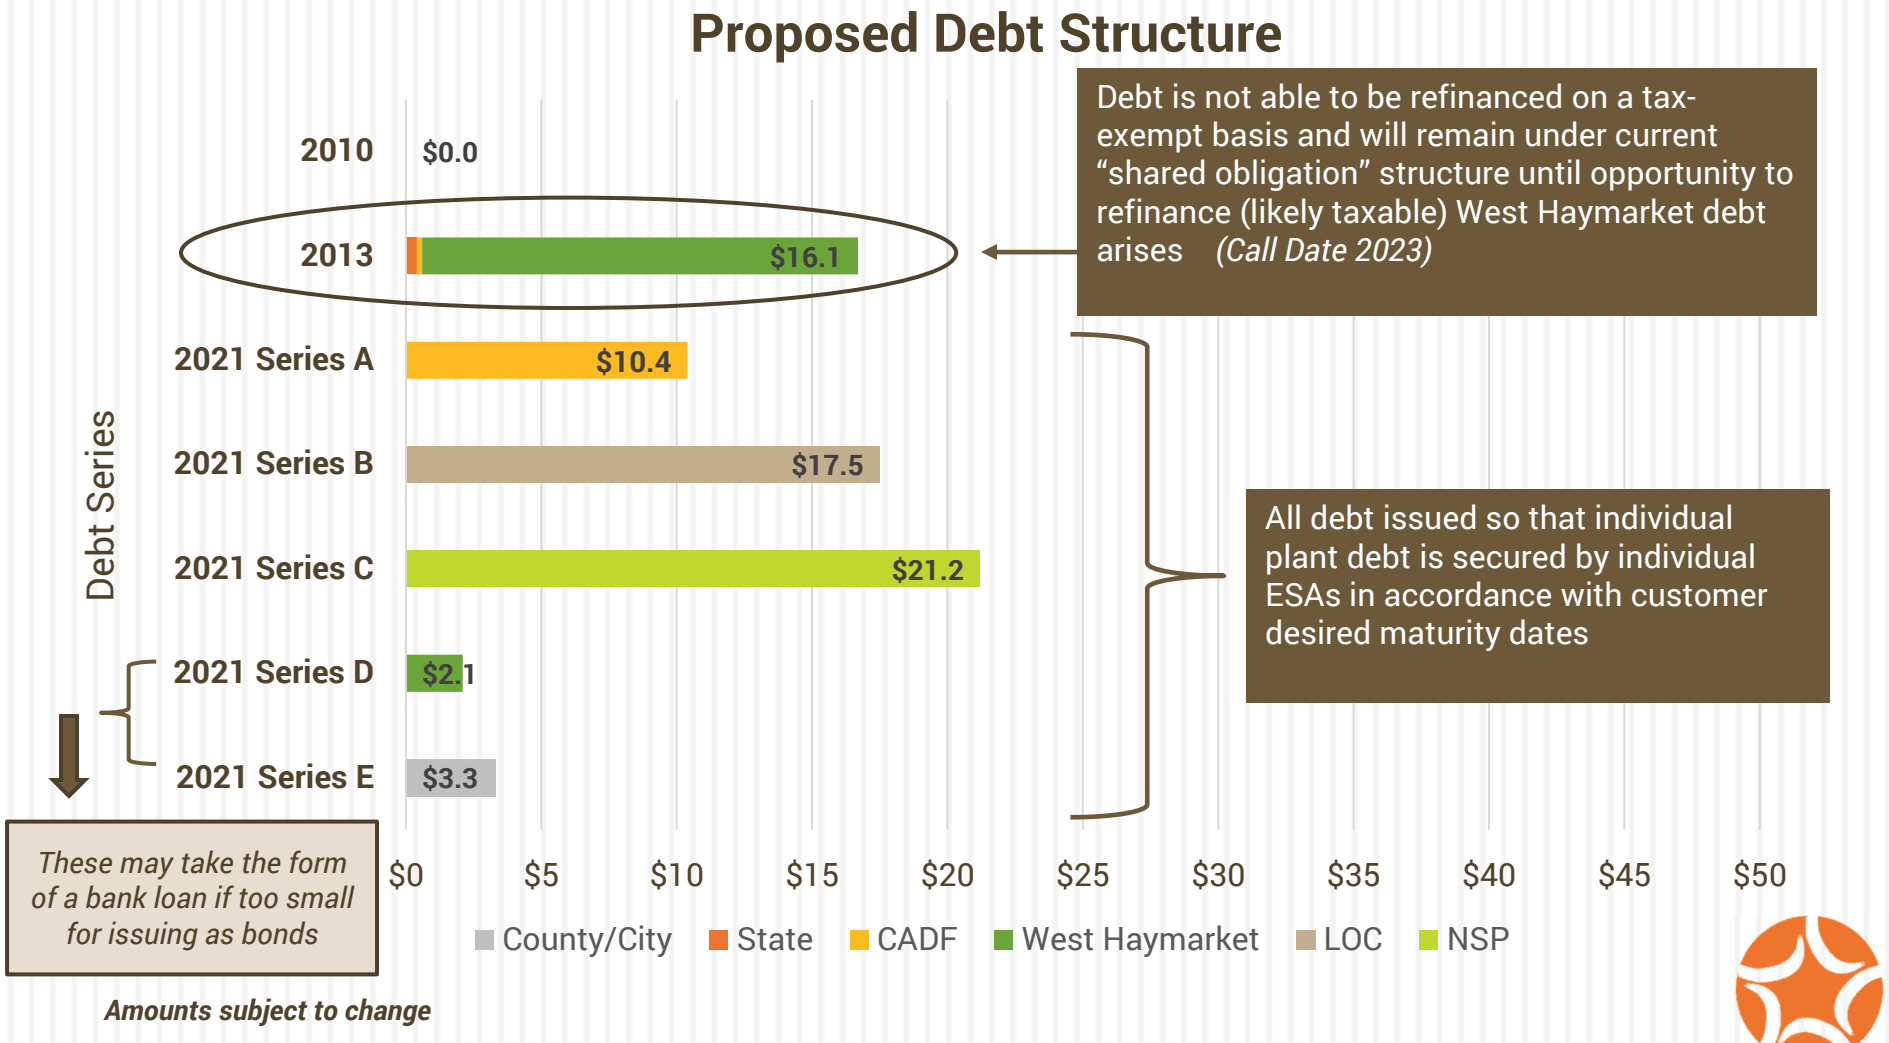
- Cheapest for all customers
  - *One bond series results in single offering document, single bond rating, lower LES labor and attorney fees*
- Risk of default by highly rated customers is low
  - *City, County, WHM and LES should generally be comfortable with each other*
  - *State customers may be an exception – could be separate issuance*
- Simple structure to explain to bond buyers
- Maintains a utility type approach

Cons with current structure

- Risk of fellow customer default
  - *There may be an opportunity to mitigate this risk with insurance*
- Difficult to unwind structure after bonds are issued

The decision on how to proceed is a long-term strategy decision that must be made carefully and with full understanding of DEC customers.

A scenario moving toward elimination of shared debt obligations creates challenges



Execution of the plan . . .

1. **July (complete)**: DEC Board Resolution 20-09 Extension of JP Morgan short term facility one year (to October 2021) to allow time to:
   - *Complete updated bond documents*
   - *Evaluate market and time the bond issuance appropriately*

   The JP Morgan Line of Credit can be paid down at any time over the next year.

2. July – September:
   - LES staff discusses with customers current obligations, upcoming bond issuance structure and desired maturity dates.

3. October Board Meeting
   - LES updates DEC Board on customer conversation and recommends plan to move forward on financing.
   - Resolution(s) for bond and/or bank loan financings.

4. Issue debt in Q1 or Q2 2021

Customer feedback needed

- DEC Board Meeting is October 20
- Plan to continue with shared obligation structure unless customer feedback necessitates an alternate plan and DEC Board directs a change

- Delivery – If we are delivering the equipment, we will need the exact address of the location, on-site contact information – including name and phone number.
- Return – Customer can call to let us know the project is done and equipment needs to be returned. We will need the name and number of the person calling off the rental.
- Ending Rental – Once machine is returned it is reviewed for hours, fuel and damages. There may be final charges to cover anything that needs to be fixed, replaced or over-hours for rent.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

c. No Coverage

This insurance shall not cover any loss for which the insured is entitled to recovery under any other insurance in force previous to the effective date of this Coverage Part.

SECTION II - LIABILITY COVERAGE, B. Exclusions, 5. Fellow Employee is modified as follows:

I. Hired Auto - Physical Damage

If hired "autos" are covered "autos" for Liability Coverage, then Comprehensive and Collision Physical Damage Coverages as provided under **SECTION III - PHYSICAL DAMAGE COVERAGE** of this Coverage Part are extended to "autos" you hire, subject to the following:

1. The most we will pay for "loss" to any hired "auto" is $50,000 or the actual cash value or cost to repair or replace, whichever is the least, minus a deductible.
2. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage, or $1,000, whichever is less.
3. Hired Auto - Physical Damage coverage is excess over any other collectible insurance.

Coverage includes loss of use of that hired auto, provided it results from an "accident" for which you are legally liable and as a result of which a monetary loss is sustained by the leasing or rental concern. The most we will pay for any one "accident" is $3,000.

J. **Rental Reimbursement**

SECTION III - PHYSICAL DAMAGE is amended by adding the following:

   a. Necessary and actual expenses incurred; or

   b. $50 per day.

If hired "autos" are covered "autos" for Liability Coverage, and if Comprehensive, Specified Causes of Loss, or Collision coverage is provided for any "auto" you own, then the Physical Damage coverages provided are extended to "autos" you hire, subject to the following limit and deductible:

(1) The most we will pay for loss to any hired "auto" is the lesser of Actual Cash Value or Cost of Repair, minus the deductible.

(2) The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning.

(3) Subject to the above limit and deductible provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

We will pay up to $1,000, in addition to the limit above, for loss of use of a hired auto to a leasing or rental concern for a monetary loss sustained, provided it results from an "accident" for which you are legally liable.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
