

Project Scope of Work

AVQ10126 Bid Sheet to Replace Shure Mixers with one Auto mixer R1

Customer, Needs and Objective

- LNKTV City | City Communications has expressed the need to replace two legacy Shure Mixers and tape recorder with one Auto mixer and solid-state audio recorder in the County/City building Suite 115, Lincoln, Nebraska.
- This proposal includes the following equipment:
 - (1) Biamp Tesira Server I/O without AVB with 20 mic/line inputs and 8 mic/line outputs
 - (1) JBL CSA 1300Z Single-Channel 300W Amplifier
 - (1) Tascam SS-CDR250N Two-Channel Networking CD and Media Recorder
 - (1) Tascam RC-SS150 Remote Control for SS-CDR250N
 - (2) Samsung T5 500GB USB 3.1 SSD - For audio recording meetings and sessions.
 - (5) Shure Microflex Overhead Cardioid Microphones with Plate Mount (White)
 - (3) mics covering head table and (1) mic on each side table.
 - Associated system cabling, microphone connectors and wire management supplies
 - Covers new Shure Overhead Mics and 2 Channel Output feed to studio.
 - Remote Control Cabling to control Tascam Media Recorder.

Service and Support

- The proposed equipment shall be provided, installed, programmed, and commissioned by AVaaSS at LNKTV City | City Communications during normal business hours.

Exclusions

- Does not include any speakers, shall be existing and in good working condition.
- Does not include any changes to existing configurations or routing of any other equipment.

All returns are subject to a restocking fee based on manufacturing restrictions.

Pricing good for 15 days.

Estimate provided on 9/9/22
