Subject: Nebraska representative on NACo Board of Directors Nominations are Now Open

Good afternoon County Chairs and Clerks,

Please share this information with your county elected officials.

The NACO Board of Directors is currently seeking nominations to fill an upcoming vacancy of the Nebraska representative on the National Association of Counties (NACo) Board of Directors and nonvoting ex officio NACO Director. This position does require in person attendance at all NACo Board of Director meetings that may be held in different locations around the United States. The representative will provide a report at the quarterly meetings of the NACO Board of Directors and present a report at the NACO Annual Business Meeting in December. The appointment to complete this term goes through July 1, 2023 with eligibility to up to 8 one year terms. If you are interested in learning more about the Nebraska representative for NACo Board of Directors and/or are interested in the appointment, please contact Jon Cannon or me by January 13, 2023.

Thank you and Merry Christmas,

Candace Meredith
NACO Deputy Director
