RESOLUTION NO. R-09-0072
RECEIVED
SEP 10 2009
LANCASTER COUNTY
CLERK

WHEREAS, on September 15, 2009 the Lancaster County Board adopted text revisions to the County Zoning Regulations and the County Subdivision Regulations to add provisions for regulating locally-adopted Floodprone Areas and Floodways; and

WHEREAS, the revised County Zoning Regulations and the County Subdivision Regulations identify the regulation of Floodprone Areas and Floodways as determined by hydrologic and hydraulic studies completed by the City of Lincoln, Lancaster County, or other governmental agency, or other acceptable source as approved by the County where this is the best available information; and

WHEREAS, the City is a Federal Emergency Management Agency (FEMA) cooperating technical partner and has contracted with a consultant to develop revised floodplain mapping for Little Salt Creek as a component of the Little Salt Creek Watershed Master Plan which was a joint effort of the City and the Lower Platte South Natural Resources District and was coordinated with the County; and

WHEREAS, a licensed engineer has certified that the work was completed in compliance with the provisions contained in FEMA's Guidelines and Specifications for Flood Hazard Mapping Partners, and the City has submitted a Flood Insurance Rate Map Physical Map Revision application to FEMA for Little Salt Creek; and

WHEREAS, identifying the best available flood information is in the public interest and

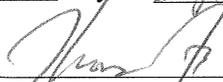

intended to protect the public health, safety, and welfare; and

WHEREAS, the Little Salt Creek Floodprone Area and Floodway, as shown on Attachment "A", is the best available information and should be used in any circumstance where this information is more restrictive than the FEMA Floodplain until such time as Lancaster County adopts the revised FEMA Floodplain Map for Little Salt Creek.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Lancaster County, Nebraska, that the Little Salt Creek Floodprone Area and Floodway, as shown on Attachment "A", are hereby adopted as the best available information and shall be used in any circumstance where this information is more restrictive than the FEMA Floodplain until such time as Lancaster County adopts the revised FEMA Floodplain Map for Little Salt Creek.

DATED this 15 day of September, 2009, at the County-City Building, Lincoln, Nebraska.

APPROVED AS TO FORM
this 15 day of September, 2009.
