2022/2023

We are here to partner with you to improve your attendance in school and improve your academic career as well. As part of that partnership we will:

1. Meet with you on an ongoing basis to share what is going well, what supports you may need and provide you with those supports.
2. Meet as a team 2 times a month to review progress and areas of improvement.
3. Provide academic and behavioral support at East.
4. Celebrate your attendance and academic progress.

Academic supports that may be put into place through TDP include the following:

2. Academic Hour – offered after school in the Media Center. Teachers are available in the areas of Math, English and General Support.
