

BEFORE THE BOARD OF COUNTY COMMISSIONERS
OF LANCASTER COUNTY, NEBRASKA

IN THE MATTER OF CONTRACTING)
FOR IMMEDIATE REPAIRS TO)
COUNTY CULVERT R-295) RESOLUTION NO. R-23-0102

WHEREAS, general supervision and control of the public roads of Lancaster County is vested in the Board of County Commissioners of Lancaster County, Nebraska, (the “County Board”) pursuant to Neb. Rev. Stat. § 39-1402;

WHEREAS, the Lancaster County Engineer (“County Engineer”) in her capacity as County Highway Superintendent, has control, government, and supervision of all the public roads and bridges in the county under the general supervision and control of the County Board pursuant to Neb. Rev. Stat. § 39-1507;

WHEREAS, NEB. REV. STAT. § 39-1408 allows that: “When an emergency or unusual condition exists requiring immediate action in order to preserve a county or township road or provide for safe conditions, the county board as to county roads within the county and the township board as to township roads within the township, or some person to whom such board has delegated such authority, may cause necessary repairs to be made, necessary services to be provided, or may contract for such repairs, or services without calling for competitive bids”;

WHEREAS, on November 16, 2023, County Culvert R-295 located on Roca Road, approximately 0.12 miles east of S. 148th Street experienced a pipe separation causing erosion of the pipe, which could cause the road to cave in;

WHEREAS, portions of Roca Road near County Culvert R-295 has been closed to prevent injury to the traveling public;

WHEREAS, as a result of the pipe separation described herein, there exists an emergency or unusual condition requiring immediate action in order to preserve a county road or provide for safe conditions;

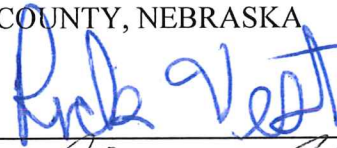

WHEREAS, the Lancaster County Engineer has obtained a Quote for services to repair County Culvert R-295, and the costs of repair are estimated to be \$38,360.00. The Quote is attached hereto as Exhibit “A,” and is incorporated herein by this reference;

WHEREAS, the County Engineer has recommended that the Board approve a contract with Subsurface, Inc. for repairs to County Culvert R-295 based upon the Quote attached hereto as Exhibit “A.”

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Lancaster County that the foregoing recitals, including Exhibit "A" are incorporated herein by this reference; and that authorization is hereby given to the County Engineer to cause necessary repairs to be made and necessary services to be provided for the repair of County Culvert R-295, and that the County Board may contract for such repairs, or services without calling for competitive bids;

DATED this 5 day of December, 2023, at the County-City Building, Lincoln, Lancaster County Nebraska.

BY THE BOARD OF COUNTY
COMMISSIONERS OF LANCASTER
COUNTY, NEBRASKA

APPROVED AS TO FORM

this 5 day of
December, 2023.
