RE: Nealrene Road Improvement District "District"

The District has completed all payments on the bonds that financed the construction of the road improvements in our neighborhood. Therefore, under state statute, we dissolve the District and distribute the remaining funds in our account. One requirement of dissolving the District is to get approval from more than 50% of the lot owners in the District.

I'm requesting that you sign the petition below and return it to me at 6100 Luann Lane prior to July 1, 2017.

Once the District is dissolved, the remaining funds will be distributed equally to each lot owner in the District.

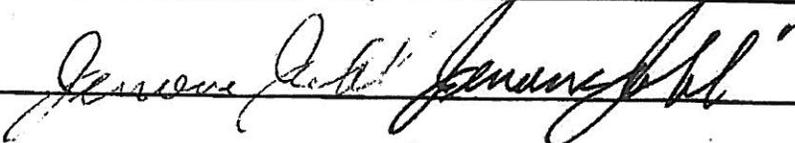

How much money will be distributed by the District? After paying our attorney, Mike Reirdon, I'm estimating we will have about \$2,000 to distribute.

Please call me with any questions at 402-420-9149. Thank you.

RE: Nealrene Road Improvement District "District"

The District has completed all payments on the bonds that financed the construction of the road improvements in our neighborhood. Therefore, under state statute, we dissolve the District and distribute the remaining funds in our account. One requirement of dissolving the District is to get approval from more than 50% of the lot owners in the District.

I'm requesting that you sign the petition below and return it to me at 6100 Luann Lane prior to July 1, 2017.

Once the District is dissolved, the remaining funds will be distributed equally to each lot owner in the District.

How much money will be distributed by the District? After paying our attorney, Mike Reirdon, I'm estimating we will have about \$2,000 to distribute.

Please call me with any questions at 402-420-9149. Thank you.
