Lancaster County Attorney
Lancaster County Clerk
Lancaster County Treasurer
555 S 10th St
Lincoln, NE 68508

Dear Ms. Garver, Mr. Condon and Mr. Nolte,

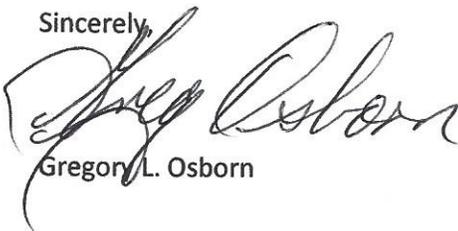

I would like to express my sincere interest in the vacated seat on the Lancaster County Board for District 2. I would like the opportunity to apply my skills and expertise to the board. When reviewing the qualifications for the seat I am sure that my experience aligns extremely well with the position's needs and requirements. I am a dedicated person willing to serving the public in any way possible. I have, as you can see on the attached resume, qualifications that covers the majority if not all the skill set for the position.

As CEO and President of two successful companies for the past 28 years, a Director on the Lower Platte South Natural Resources District in my third term, and several boards and commissions that I have served and are serving on, I think it makes me an ideal fit for the position. My experience with employees, clients, staffs, both private and public, working with private and public budgets, contracts, inter-local agreements and serving on several private and public boards gives me a great perspective on the need and requirements of the position.

I am very capable of providing the Lancaster County Board a solid set of skills and feel I can be a great asset in addition to the current board members. The skill and experience I have, are hard to find.

To each of you, I want to thank you for your service and commitment to county government and for your consideration of me to fill the vacated position.

Sincerely,

Gregory L. Osborn
