Shall the City cause to be levied and collected annually a special levy of taxes on the taxable value of all the taxable property in the City, in addition to all other taxes, if not paid from other revenue sources, in an amount sufficient to pay the principal of and interest on said bonds as such principal and interest become due?

FOR such Bonds and tax

AGAINST such Bonds and tax

Electors voting in favor of Proposition A shall blacken the oval opposite the words “FOR such bonds and tax” following such proposition, and electors voting against Proposition A shall blacken the oval opposite the words “AGAINST such bonds and tax” following such proposition.

NOTICE TO VOTERS: Proposition B below provides an additional sales tax to fund a portion of the cost of the facilities and debt service on bonds in Proposition A. In order for Proposition B to be implemented, Proposition A must also be approved by the voters.

City of Hickman Aquatic Center

Proposition B – Sales Tax for Bond

Shall the governing body of the City of Hickman, Nebraska, fund a portion of the cost of constructing, equipping and maintaining recreational infrastructure, including an aquatic center facility, by imposing a sales and use tax in the amount of one-half percent (0.5%) in addition to the one-and-one-half percent (1.5%) currently in effect, upon the same transactions within the City of Hickman on which the State of Nebraska is authorized to impose a tax, but only upon approval of Proposition A above, and subject to the following terms and conditions:

1) Use of Additional Tax. The proceeds from the additional City sales and use tax referred to in this Proposition B shall be used solely for constructing, equipping and maintaining recreational infrastructure, including an aquatic center facility.

2) Interlocal Agreement. The City has entered into an Interlocal Agreement with Lancaster County School District 0160 (Norris School District 160) for the long-term development of unified governance of public infrastructure projects, including the recreational infrastructure referred to above, and the entity created pursuant to such agreement shall advise the City with respect to such public infrastructure projects. None of the revenue collected to be used for the purposes of such Interlocal Agreement.

3) Term of Additional Tax. Such additional sales and use tax shall terminate after ten years, or for so long as the bonds referred to in Proposition A are outstanding if the City pledges the additional sales and use tax to pay the principal of and interest on such bonds and any refunding bonds (which are expected to be outstanding for twenty years).
