

HOW *(and why)* TO LEAD LIKE A FUTURIST

DR. CONNIE REIMERS-HILD

*Dr. Connie Reimers-Hild, Wild Innovation's Founder and Chief Futurist, is on a mission to help leaders and organizations thrive in the future by adding more fun and fulfillment in the present moment. Her future-focused offerings combine award-winning, empirical research in the areas of entrepreneurial leadership and innovation with practical experience and a focus on purpose-driven results. Connie is a certified Futurist, Professional Coach and Gallup Strengths Coach with a doctorate in Human Sciences and Leadership Studies. Her most recent adventure includes the launch of F*School – a futuring school for high-achieving women who are ready to go a little wild and pursue the future they truly want to experience. A few of Dr. Connie's favorite ways to unleash creativity include firewalking, snow sledding, swimming with sharks and spending time with family.*

LEARNING OBJECTIVES:

- Understand the importance of leading with a futurist mindset
- Learn about trends and other factors that are shaping the future
- Practice your futurist skills by using a few strategic foresight tools

COMPETENCY BUCKET:

Interpreting Complex Systems
