

♥ Name Change Information ♥

Once you are married, you may choose to take your spouse's last name. It is best to take care of this as soon as possible following the wedding or honeymoon. Most entities will require you to present a CERTIFIED COPY of your marriage license as proof of marriage. If you prepaid for a certified copy when your license was issued, it will be mailed to you 2-3 weeks following your ceremony or as soon as the officiant returns the license to the County Clerk's Office. If you do not receive your pre-paid certified copy or if you would like to obtain one, please contact the County Clerk at 402-441-7484.

Photocopies and Keepsakes are NOT recognized by most government offices as proof of marriage.

A certified copy of your marriage license will be needed
to change your name on the following documents:
